

## Reception Homework Challenges

It is crucial that all pupils learn basic skills throughout their school life. As a school, we have prioritised three areas for you to work with your child at home:

<b>Reading</b>	<ul style="list-style-type: none"><li>• Use your sound flashcards and words to practice your reading skills</li><li>• Read and play games using the 'Tricky Words' tin. Can your child read the word if you cover up the picture clue?</li><li>• When your child is ready they will receive a levelled reading book that they are expected to read with support from yourselves.</li><li>• When your child is working on a particular set of words we will send this home for you on a sheet (this does not need to be returned).</li></ul>
<b>Spelling</b>	<ul style="list-style-type: none"><li>• Help your child to spell three letter words using your sound flashcards (i.e. mad, pin, top, cat, dog)</li><li>• When your child is ready they will receive an additional spelling sheet to complete at home (this does not need to be returned).</li></ul>
<b>Maths</b>	<ul style="list-style-type: none"><li>• Practice reading and writing numbers 1-20 at home.</li><li>• Practice counting to 20 and beyond.</li></ul>
