

# School Council

**Date** 11.12.17

**Time** 2.20

## Minutes

The School Council representatives discussed their ideas in regards to the 'Playground Buddy' bibs. The pupils had many ideas towards the first initial design such as using: the school logo, school mascot and a picture of the buddie bench. In addition, we discussed what colour font we would prefer for the slogan.

One pupil raised a concern towards the colour of the bibs, as they were conscious that the yellow would attract bees and wasp in the summer. As a result, the School Council have decided they will rethink the colour of the bibs once the final design has been agreed.

A discussion was held with the pupils regarding where the bench will be placed. Some children thought that it would be better to move it from the Eco Garden into the Quiet Yard because it would be more accessible for all children. The only concern the pupils had was that this would not be suitable for year 1 children. After a discussion, they concluded that the year 1 children could speak/play with the Playground Leaders if they feel lonely.

### Actions

- Miss Rogers to speak to Mrs Stable regarding Buddy bib designs before the School Council representatives feedback to their classes.
- To finalise a colour for the Buddie bib.
- Ask Mr Burnett about possibly moving the bench into the quiet yard.
