

School Council

Date 13.10.17

Time 1.00

Minutes

At the previous meeting, I asked the School Council to speak to the pupils in their class about the 'Buddy Bench'.

The pupils created three designs. I asked them to discuss the designs with the pupils in their class and vote for the one they like the best (using omnivote).

The pupils invited Mr Burnett in to the meeting. The pupils asked him if he could build the bench, which he confirmed. The pupils also asked him for the colours that would be required.

We discussed where the bench would go. The pupils came up with three suggestions and voted on them. Y1 yard received 2 votes, Y3/4 yard received 1 vote and the Quiet Area received 6 votes.

One pupil offered to help complete the design.

Actions

- One pupil to complete the design.
- The School Council members will discuss the three designs with their class, bringing the results to the next meeting.
