## Minutes

The School Council representatives decided that the 'Playground Buddies' will be pupils from Y3 and Y4, and they will complete their duties at playtime and lunchtime. If Y6 pupils need a 'Playground Buddy' at playtime, they will speak to the Head Boy or Head Girl.

The pupils then discussed clothing; they had some initial thoughts about what the bibs will look like. The pupils would like them to be yellow, with the school harp and 'Playground Buddies' on the back.

A Year 2 pupil discussed the lack of football at playtime. Mr McLean will contact Mr Collantine to discuss football on the KS1 yard.

Pupils also asked for more cooking in the curriculum, and they would like a cookery club after school. Pupils also requested a basketball club.

The Y6 girls would like a mirror in the girls' toilets. They would also like the lock to be fixed on one of the toilet doors.

Mr McLean explained that Miss Rogers is now leading the School Council.
