

School Council

Date 29.9.17

Time 1.00

Minutes

I asked the following question.

What could we do to make the school even better?

The pupils suggested looking at more playground equipment.

The School Council gave a range of answers, which included trampolines, swings, paddling pools and more climbing equipment.

At the next meeting, the School Council will share the ideas they have collected from their class.

The School Council also suggested having a Head Boy and Head Girl in KS1. One member asked if we could have prefects.

We agreed to explore the possibility of having a Head Boy, Head Girl and prefects in KS1.

Actions

- All members to ask the pupils in their class what other playground equipment we could get.
- Explore the possibility of HB, HG and prefects in KS1.
